- 100% Rated ! - Load the transformer to the Max !
- Bottom Panel pre-punched with conduit knockouts, and swings down for ease of installation and is fully removable
- Internal wiring rated to 125°C
- 115 AMP rated terminal block
- Primary Amp Loop provided on 900, 1200, and 1500 Watt models
- Quick Mount Bracket allows for mounting without templates
- Stainless Steel Taps

MODEL

300W 12, 13, 14, 15, 16, 17, 18, 20, 22V
600W 12, 13, 14, 15, 16, 17, 18, 22V
900W 12, 13, 14, 15, 16, 17, 18, 20, 22V
1200W 12, 13, 14, 15, 16, 17, 18, 20, 22V
1500W 12, 13, 14, 15, 17, 18, 20, 22V

OPTION

PC - Photocell, with quick connect features
MT1 - Mechanical Timer - 2 On, 2 Off positions
MT2 - Mechanical Timer - 48 on or off settings
DT - Digital Timer - Programmable 7 day timer
DT2 - Digital Timer - Programmable 7 day timer

Sealed, removable, lockable stainless steel hinged door
6' Heavy Gauge Power Cord
Lifetime Warranty Stainless Steel transformers
